Jenni,

It was great to meet you (and Governor Cooper!) through Graig Meyer at the Governor's event in Durham to take back the NC General Assembly. Hope the soccer game went well!! I am very happy to be supporting the Governor and efforts to rid NC of the reactionary Republican super majority. Also glad to see him standing up for the environment. If I can be of any help with more information or details about the proposed Atlantic Coast Pipeline (ACP) please just let me know.

Warm regards,

Bob
